Hycon Manufacturing Company
Pasadena, California

Dear Sirs:

This letter is to advise you with reference to our intention to negotiate a contract with you in Fiscal Year 1956 for the production and delivery of the following items:

3 each of the A-2 Camera

11 each of the B Camera

The specifications of above items are in your possession. With respect to the three (3) A-2 Cameras and three (3) of the B Cameras, special tools, spares, training technical representatives and factory overhaul will be required to be furnished by the Contractor in connection with the use and maintenance of the items. With respect to the remaining eight (8) B Cameras, conditions with which you are familiar will apply, insofar as spares, factory overhaul, etc., are concerned.

In addition to the above items, a requirement presently exists for the following item.

3 each of the C Camera

It is our intention to discuss with you at a later date your probable participation in the production and delivery of the three (3) C Cameras.

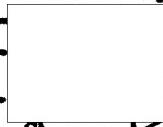

You have been made aware of the desired delivery schedule for the three (3) A-2 Cameras and the eleven (11) B Cameras. Accordingly, it is requested that you submit, at your earliest convenience, three copies of a proposal and technical exhibit indicating cost estimates, delivery schedules and proposed contractual arrangements, including all aspects of sub-contracting, to serve as the basis for the negotiation of a Letter Contract or a Definitive Contract prior to 15 June 1956.
